

SCOPE OF PRACTICE STATEMENT

At Soul in Flow, all services are offered within the scope of complementary wellbeing practice.

My work is designed to support:

- relaxation
- emotional wellbeing
- energetic balance
- self-awareness
- personal reflection
- nervous system regulation
- restorative wellbeing practices

Services offered may include:

- In-Person Reiki
- Distance Reiki
- Quantum Healing Hypnosis Technique
- Natural Lift Facial Massage
- Traditional Thai Foot Massage

Professional Boundaries of Practice

I do not:

- diagnose illness
- prescribe medication
- provide psychological therapy
- offer medical advice
- replace licensed healthcare professionals
- guarantee healing outcomes

Where concerns arise that fall outside my scope of practice, I may recommend seeking appropriate professional support elsewhere.

All services are complementary wellbeing practices only.
